### BODEGÓN

2 - 20 November 2011

The term bodega in Spanish can mean 'pantry', 'tavern' or 'wine cellar'. In Spanish Art, a bodegón is a still life painting depicting pantry items, such as victuals, game and drink, often arranged on a simple stone slab. A bodegón can also be a painting with one or more figures, but with significant still life elements, typically set in a kitchen or tavern.
